

HERE'S HEALTH
FOR YOU.

A report recently published by the London county council presents some interesting information concerning the city of London. According to this report, in the administrative county of London, there are 671,708 inhabited houses, which shelter 4,536,541 persons, or an average of 7.93 as compared with 7.74 ten years before. Industrial workers aggregate 1,013,177, less than three-fourth of whom are males. The mortality in London during that year was greater than that of Amsterdam, Brussels, Copenhagen, Stockholm and Berlin, but less than that of Paris, St. Petersburg, Vienna and New York. By 1904 London—i. e., the county council—will own 108 miles of tramways and light railways. In 1901 the gross profit on those then in operation was £147,797. In the last ten years there has been a general decrease in offenses against the law, save drunkenness, and arrests for these have increased from 537 per 100,000 population to 816, or over 50 per cent. The rateable value of the city increased from £19,963,285 in 1891 to £39,769,069 in 1901.

THE DRAUGHT
THE GREAT
FAMILY MEDICINE

Theodore's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, side-ache, back-ache, kidney troubles, constipation, diarrhoea, biliousness, piles, hard colds and headache. Every draught has Theodore's Black-Draught in 25 cent packages and in manumoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.
I believe Theodore's Black-Draught is the best medicine on earth. It is good for any and every thing. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Jeweler, La.
